Days & Hours of closure > Navigazione info. Vatican Museums Openings/Closures 2024-2025.

Completed in record time almost on the eve of the Jubilee Year, a new photovoltaic system has been installed in the Cortile delle Corazze in the entrance of the Vatican Museums and will produce electric energy from a renewable resource. With this project, the Governorate of Vatican City State is implementing the guidelines Pope Francis outlined in the Encyclical Letter, *Laudato Si'*, and .

Pope Francis has announced measures to transition Vatican City to using solar energy as its main source of electricity, as outlined in his latest motu proprio titled *Fratello Sole*, or.

In a letter released on June 21 entitled “Brother Sun” Pope Francis announced his intention to transition Vatican City onto 100% renewable energy using solar panels.
