Antarctica solplanet monitoring

Overview

What is the solplanet app?

Simple remote management supporting multiple users The Solplanet App is the most intelligent and user-friendly mobile solution for monitoring your PV installation's power generation. Featuring intuitive data visualizations, it enables you to effortlessly track energy production and monitor progress over time.

What is solplanet cloud based monitoring?

Our cutting-edge cloud-based monitoring system empowers you to monitor real-time energy generation via the Solplanet Cloud, offering unparalleled accessibility from anywhere. Live data reporting ensures proactive system performance management, swiftly detecting and addressing potential issues.

Why should you choose solplanet?

the Cloud! The power of the sun is the future of our planet. Solplanet makes solar for everybody. Easy-to-install, reliable and user-friendly inverters.

Die Ertragsinformationen werden von den Solplanet Wechselrichtern direkt ins Internet zum Solplanet Monitoring-Portal übertragen. Nachdem ein Solarfox-Onlineaccount erstellt wurde, greift der Solarfox® Webserver auf die Daten im Solplanet Monitoring Portal zu und generiert eine Slideshow, die von Ihnen individuell via Webbrowser konfiguriert

[About Solplanet , Solar for Everybody](#)

We manufacture single-phase, three-phase and hybrid inverters, intuitive monitoring solutions,

and smart EV Chargers to the highest international quality standards. Our production plants and R& D departments are growing and becoming more innovative all the time, so Solplanet is always ready to meet the demands of any size of solar installation.

[LAN/WLAN Ai-Dongle , Connect & Monitor](#)

This user-friendly device effortlessly elevates your Solplanet inverter data monitoring, providing an enhanced capacity to track your installation's energy production around the clock through our intuitive mobile application. Solplanet's LAN/WLAN Ai-Dongle boasts a sleek and compact design, measuring a mere 170 x 50 x 30 mm. Its

Solplanet products , Solar for everybody

Solplanet offers a huge variety of quality, industry-leading solar products that you can depend on to power your life. Our award-winning products - hybrid inverters, single phase inverters, three phase inverters, EV chargers, and connection and monitoring solutions - can help you to harness the power of the sun.

[Solplanet App , Solplanet](#)
