Moldova's Energy Crisis Could Pave the Way for Reunification

16 000000· Unfortunately, it requires Moldova to first help Transnistria weather an energy crisis--and there are no easy options. In addition to the end of gas supplies via Ukraine, there was another reason for Moldova to introduce a state of emergency this month: a rise of almost 30 percent in the price of gas for domestic consumers.

Moldova has introduced a state of emergency in the energy sector

42 000000· From December 16, 2024, Moldova has introduced a state of emergency in the energy sector. The main reason for the emergency is that no one in Moldova knows whether Gazprom, the Russian state energy corporation, will continue supplying Russian gas to the Transnistrian region of Moldova after January 1, 2025. Therefore, Chisinau and Tiraspol are ...
