Why should you choose bboxx EDF solar home system?

With our Bboxx EDF Solar Home System, we now have access to reliable light and the feeling of being in the city. We first started as Bboxx EDF customers using a Solar Home System in Togo and this has helped us a lot in our daily lives. Bboxx has provided light to my home. My family feels safe, and the children are happy now.

Who is bboxx & EDF Togo?

Bboxx and EDF Togo is transforming lives and unlocking potential by connecting consumers and deploying innovative products across the country. We have been operating in Togo since 2017, after being awarded a tender to install solar home systems across the country, largely in rural areas.

Why should you choose bboxx solar power?

Bboxx solar power is affordable and they made it very convenient for one to pay. With the solar pump I can work until the night if I need to without paying for electricity or fuel. With our Bboxx EDF Solar Home System, we now have access to reliable light and the feeling of being in the city.

What is bboxx with EDF?

In 2019, Bboxx avec EDF customers in Togo receive a subsidy to spend on solar energy - which is the first even government subsidy for the purpose of solar energy payments in Africa. This forms part of the Togo Government's national electrification strategy, the "CIZO" initiative - which means lighting up in the local "Guin" language.

Who is bboxx?

Since then Bboxx has grown to a strong global company of 4,000 employees, united by its purpose to transform lives and unlock potential by connecting consumers and deploying innovative products across Africa.
