[Belize] I think this is a corn snake? : r/whatsthissnake

Thanks for all of the great information guys!
Being native to the eastern US myself, my first thought was "Oh! A corn snake!" but then I remembered I was in Belize and corns aren't native there and figured it had to be some other physically similar rat snake but couldn't find any pictures of native snakes that seemed to match--P. flavirufa was my best guess as well.
