Titan Advanced Energy Solutions , ????? 5,116
?????Lithium-ion battery intelligence, management and lifecycle fueled by ultrasound technology , At Titan, we've engineered a breakthrough technology based on the proven science of ultrasound. Our team has applied the ultrasound concept to lithium-ion batteries, delving deep into their inner workings to provide ...

Titan Advanced Energy Solutions Raises \$33 Million

Series B ...

SALEM, Mass., Nov. 16, 2021 /PRNewswire/ -- Titan Advanced Energy Solutions ("Titan"), a pioneer in ultrasound-based battery management solutions, announced a \$33 million Series B financing led by

EV Battery Safety Research Utilizes Ultrasound-based Technology

o Battery safety is imperative for the widespread adoption of battery and battery-powered systems o A major concern of global EV and energy stationary storage (ESS) market adoption is the possibility of a battery/system failure, leading to fires and explosions, and the dangers and publicity associated with them as seen in headlines all over the world o Thermal ...

Titan Advanced Energy Solutions, Inc., a Boston, MA-based provider of ultrasound-based battery management solutions, raised \$10m in Series A financing. The round was co-led by Schneider Electric Ventures (SEV) and Energy Innovation

Capital (EIC) with participation from the Massachusetts Clean Energy Center (MassCEC).& nbsp;As part of the ...

Titan Advanced Energy Solutions Raises \$33 Million Series B Led ...

INDIANAPOLIS, IN - November 16, 2021 -. Titan Advanced Energy Solutions ("Titan"), a pioneer in ultrasound-based battery management solutions, announced a \$33 million Series B financing led by HG Ventures, the corporate investment arm of The Heritage Group. This new capital positions the company to accelerate industrial-scale deployments of its battery diagnostics and ...

- Efficient Higher Revenue**
 - Max. Efficiency 97.5%
 - Max. PV Input Voltage 600V
 - 150% Peak Output Power
 - 2 MPPT Trackers, 150% DC Input Overvoltage
 - Max. PV Input Current 15A, Compatible with High-Power Modules
- Intelligent Simple O&M**
 - IP65 Protection Degree: support outdoor installation
 - Smart I-V Curve Diagnosis Function: locate PV string faults accurately and automatically detect faults
 - DC & AC Type II SPDs: prevent lightning damage
 - Battery Reverse Connection Protection
- Flexible Abundant Configuration**
 - Plug & Play, UPS switching under 20ms
 - Compatible with Lead-acid and Lithium Batteries
 - Max. 6 Units Inverters Parallel
 - ARC Function (Optional): when an arc fault is detected the inverter immediately stops operation

Advanced Energy Solutions , Victorian Solar Installers

Advanced Energy Solutions is a local solar installation company helping Victorian residential and business customers save money with clean energy. Our founders (Dan and Jim) have been in the electrical and solar industry for a combined 30 years and are focused on providing our local community and our clients with exceptional service.

[TITAN ADVANCED ENERGY SOLUTIONS, INC](https://www.titanadvancedenergy.com/)

TITAN combines ultrasonic sensing technology,

machine learning, and edge computing to observe and monitor batteries in real time. By observing batteries at the molecular level they analyze battery behavior, performance, and internal states that turn traditional battery management systems into smart IoT devices in order to optimize the overall battery performance.

Titan Advanced Energy Solutions , MassCEC

Titan Advanced Energy Solutions is an industry disrupter in hyper-growth mode. Our ultrasound-based battery diagnostics system is winning awards and grants and attracting a LOT of attention! Our collaborative and wicked smart team is excited to welcome a Senior Front End Developer. As part of the greater Data Science and Engineering team, in

Press

News coverage for Titan Advanced Energy Solutions. Based in Salem, MA, Titan is developing and producing ultrasound-based battery management diagnostic systems for lithium-ion batteries for the consumer electronics, automotive, storage, and second-life markets.

Working at Titan Advanced Energy Solutions

Glassdoor gives you an inside look at what it's like to work at Titan Advanced Energy Solutions, including salaries, reviews, office photos, and more. This is the Titan Advanced Energy Solutions company profile. All content is posted

anonymously by employees working at Titan Advanced Energy Solutions .

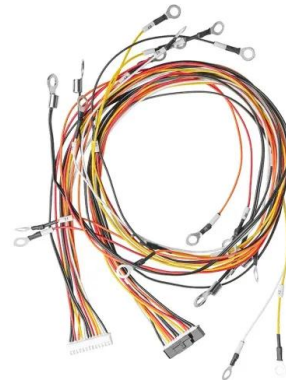

Titan Advanced Energy Solutions Company Profile

Titan Advanced Energy Solutions has 5 employees at their 1 location and \$10 m in total funding,. See insights on Titan Advanced Energy Solutions including office locations, competitors, revenue, financials, executives, subsidiaries and more at Craft.
