Can I put a locker at the end of the bed in the room

Overview

Where should you store your bedroom furniture?

The back of your bed (assuming it's placed against the wall) is the ideal place to sneak in bedroom storage ideas. Try a DIY headboard with shelving or buy one ready made. All that empty space under your bed is wasted. Make use of it by sliding in storage bins or bags. It's a great place to store seasonal items that you only use part of the year.

How do you store a dresser under a bed?

If your bedroom is small, swap out your dresser for under-the-bed storage. You can buy plastic bins or baskets that are low enough to fit under your bed. Look for products that come on casters to make it easier to roll out from under the bed. Or, add DIY casters for wheel-y easy under-the-bed storage.

What should I use instead of a dresser in my bedroom?

Use a storage bed instead of a dresser in your bedroom. Many platform beds do double-duty with built-in drawers and shelves to maximize your minimalist space. Look for beds with sturdy drawers that can hold bulky items and headboards with built-in storage to hold smaller items. Why not put your suitcases to good use when you're home?

.

How do you store a bed in a room?

'Alternatively, go for pull out drawers or boxes.' 'Storage benches or chests at the foot of the bed are also a worthwhile addition, not only can they double up as a seat but their positioning will extend the bed out rather than you trying to squeeze storage into another area of the room.'

How to organize a small bedroom without a dresser?

You can organize a small bedroom without a dresser by taking advantage of

unexpected places, like space on the walls (especially inside your closet, if you have one) and under the bed. Visually streamline your bedroom and it will look and feel larger.

What is the difference between a dresser and a locker?

Lockers are stylish furniture pieces that come with a heavy dose of nostalgia and lots of charm. You can have your very own locker in your bedroom to store all of your clothes in. Compared to dressers, lockers take up less floor space and may even come with enough vertical space to hang more delicate items.
