Who is Solax power?

Latest company news, exhibitions and awards updates in SolaX-the Internationally recognized photovoltaic energy storage system supplier. Further information can be found in the privacy policy. I understand that I can withdraw my consent at any time. SolaX Power delivers innovative energy solutions for homeowners, businesses, and utilities.

How does Solax work during a power outage?

During an outage, SolaX will help keep your solar system running, or if you're using grid power, it will seamlessly transition your home to stored energy instantly. Additionally, with our app, you can manage your energy from the cloud—store, sell, or use it as needed.

How many certifications does Solax power have?

SolaX products have been granted more than 500 international mainstream market certifications until now. At SolaX Power, we are dedicated to innovating with precision and speed, creating advanced solutions that contribute to a sustainable, greener future.

How many employees does Solax have?

As a global leader in energy storage solutions, SolaX has expanded into a multinational corporation with over 2,000 employees. Headquartered in Hangzhou, China, with offices in the Netherlands, Germany, the UK, Australia, Japan, and the US, SolaX now serves customers across more than 80 countries.
