### Anyone have experience with SunCo solar panel company? :

...

Sunco is a classic bate and switch scam operation. We live in a Brooklyn Brownstone and had Sunco install a solar system. They promised, "you will never have a coned bill again. Their salesman swore to this in many conversations. At best we save 100 dollars a month. Their workmanship is awful. They got roof tar all over our home.

Depending on your use case, solar can still save you money. In this situation, the system has to be sized appropriately and your usage patterns must be evaluated properly. Give us a call and during a simple phone consultation, we can review your individual circumstances and let you know if a solar system makes sense for you.

## Solar Lighting Translation missing: en.general.title.tags - tagged

Direct sunlight powers our Sunco Solar LED lights to deliver 8-10 hours of lighting at night to your path or garden. You can light an exterior walkway without underground wiring. At night, an integrated photocell sensor automatically

turns on the solar light to illuminate your pathway and yard or to function as up lights by an exterior wall.
