

Solar Energy South Africa

Does JA Solar s photovoltaic panels have a C-level warranty

Overview

They offer a 30-year performance guarantee along with a 25-year product warranty. Do JA Solar panels have a warranty?

This results in lower prices for customers. JA solar panels typically come with a 12-year product replacement warranty and a 25-year power output warranty. The 12-year equipment warranty is shorter than that offered by some solar panel manufacturers. But the product warranty is in line with industry standards.

Are JA PV panels a good choice?

As mentioned above, JA PV panels are more affordable than many competitive panel options, but they lack the reliability and durability that you'd find in more expensive brands. All JA panels come with a 12-year equipment warranty, which is less than half of the industry average of 25 years.

How can JA Solar help a customer?

At the end, JA Solar can assist the Customer by issuing a debt transfer certificate.

4. Warranty Claims

4.1 Time Limit for Warranty Claims

All claims under the Limited Product Warranty must be submitted in writing to JA Solar within the Limited Product Warranty Period, while.

Is JA Solar a good brand?

JA Solar is considered a high-efficiency budget brand, so while the panels have good performance, the cost per watt is still below what most competitors charge.

Temperature Coefficient (10%): The temperature coefficient of a panel tells you how much of the panel's efficiency is lost per degree over 77 degrees (F).

What is JA Solar's liability?

JA Solar shall have no responsibility or liability whatsoever for damage or injury to persons or property, or for other loss or injury resulting from any

cause whatsoever arising out of or related to the MODULES, including, without limitation, any defects in the MODULES or from use or installation. 5. Obtaining Warranty Performance.

Who are JA Solar panels?

PVEL (DNV-GL) is one of the world's leading solar module testing services based in Germany and every year the company produces the annual PV Module Reliability Scorecard Report. Over the last 5 years, JA solar panels have consistently scored in the 'Top performer' category among 20+ of the world's leading solar brands tested.
