Overview

Who is EcoSmart solution?

EcoSmart Solution has a strategic partnership with global real estate investment firm Taurus Investment Holdings (TIH) and Shell New Energies, a subsidiary of global energy leader Royal Dutch Shell. Together, we apply deep experience in financial and real estate acumen with energy technology leadership to every project we undertake.

Why should you choose EcoSmart solution partner homes?

eco-friendly solution. EcoSmart Solution partner homes are zero energy capable. You're ready for a home that lives, works, and lasts better. A superior, sustainable solution is available today.

What is EcoSmart & how does it work?

By transforming energy infrastructure investment into a high-value energy service and offering second to none technology; EcoSmart delivers a streamlined platform through our network of strategic partnerships in technology, consumer brands, and more, for builders to craft affordable, net zero energy capable homes.

Is an EcoSmart home energy efficient?

An EcoSmart home has a HERS rating of 25 or below — making it one of the most energy efficient homes in the country. Why Your Next Home Should Be EcoSmart. In today's housing market, energy adaptability and performance directly correlate with dollar savings.
