Admire the natural beauty of the Ria Formosa onboard an eco-friendly, solar-powered boat trip. This boat tour explores the marshlands and wildlife of the lagoon without polluting the area. Become a supplier

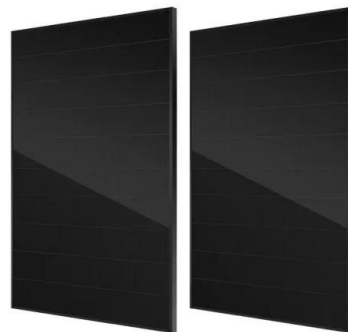

[Solar Rooftop Completed in Myeik](#)

MES completed the second largest solar rooftop in Myanmar at 59kWp in Myeik, Tanintharyi Region. When engineered correctly there are no reliability or intermittency issues with solar technology, despite this being next to a dry dockyard on a diesel-powered island grid. Thanks to MES, EAM and Bo Bo engineering for making this happen.
