Cash-strapped NiQuan Energy appoints receiver

NiQuan Trinidad is a subsidiary of NiQuan Energy LLC, registered in the US. NiQuan Trinidad drew attention and financial backing for its promise to support the country's energy diversification goals. In 2018, the company took over the stalled gas-to-liquids (GTL) plant project from the World GTL and Petrotrin joint venture.

Optimizing the sustainable energy transition: A case study on Trinidad ...

Trinidad and Tobago is a small island developing state (SIDS) with one of the largest emitters of CO₂ per capita globally - linked to a reliance on oil and gas. With the country's commitment to sustainable development goals and climate change agreements, rapid redesign of the national power sector is critical to promoting a sustainable energy transition.
