[Benefits and Culture , ReVision Energy](#)

Profit sharing results in long term wealth creation through our ESOP and 401(k) options, and yearly company-wide compensation increases (separate from bonuses and promotions). Go solar - with perks! Employees that put solar on their home, or install any of our products, can receive an interest-free loan that comes right out of their paycheck.

Best Solar Energy Companies of 2025 , ConsumersAdvocate

A good solar energy company provides multiple financing options for leasing or owning. Although ownership is generally best, the large down payments or monthly loan installments (that come with additional interests) are an obstacle to many homeowners. In this sense, leases or power purchase agreements (PPAs) could be the only options available
