### [Power Efficient Systems Has Evolved](#)

Following a very successful rebrand of Power Efficient Systems in 2015 which saw the company trade under its exclusive EnergyAce brand, the company is now proud to announce the complete transition with a formal name change taking effect from May 2018. EnergyAce Ltd continues in the tradition of Power Efficient Systems Ltd in manufacturing high [...]

## Energy Metering

EnergyAce is a simple, low cost, way of delivering guaranteed\* energy savings of up to 60% For many companies energy is one of the largest operating costs, second only to staff salaries. For energy-intensive businesses, energy can be the main cost and often and in some cases the differentiation between financial profit & loss.
