[History of Ivory Coast](#)

Houphouët-Boigny was succeeded by his deputy Henri Konan Bédié, President of the Parliament. Konan Bédié was 24 December 1999, during the 1999 Ivorian coup d'état by General Robert Guéï, a former army commander who was dismissed by Bédié. This was the first coup d'état in the history of Ivory Coast. An economic downturn followed and the junta promised to ...

Ivory Coast is an agriculture dependent economy. Coffee and cocoa are the major cash crops. The political system was very stable. There was a one party under the leadership of Felix Houphouet-Boigny

The Key Differences between 14001 And 50001 , SGS Ivory Coast

Although the relatively new international standard is closely aligned to ISO 14001, ISO 50001 is intended to put more strategic influence on the continual improvement of energy performance, including energy efficiency, energy use, and consumption. In this document we aim to explain some of the key differences.

Ivory Coast telephone numbers have no area codes. On 31 st January 2021 Ivory Coast switched from an 8- to a 10-digit number system. 01, 05 or 07 was added in front of existing mobile numbers and 21, 25 or 27 was added in front of existing fixed numbers.

Ivory Coast

Originally, Portuguese merchant-explorers in the 15th and 16th centuries divided the west coast of Africa, very roughly, into four "coasts" reflecting resources available from each coast. The coast which they named the Costa do Marfim--meaning "Coast of Ivory", and translated into French as Côte d'Ivoire--lay between what was known as the Guiné de Cabo Verde, so-called "Upper ...
