## Overview

---

Are expion360 lithium batteries good?

If you're looking for your next boat or RV lithium battery need, I would recommend Expion360. They have an industry leading 12 year warranty! Expion360 advanced lithium batteries are designed and engineered in-house for all your RV, Marine, Golf, Industrial, Residential and Off-Grid needs.

Where are expion360 lithium-ion batteries made?

The Company is headquartered in Redmond, Oregon. Expion360 lithium-ion batteries are available today through more than 300 dealers, wholesalers, private-label customers, and OEMs across the country. To learn more about the Company, visit [expion360.com](http://expion360.com).

Does expion360 have a tech support team?

Expion360's in-house tech support team knows the ins and outs of our entire off-grid lithium battery line and accessories. From walking you through which battery is best, to troubleshooting when you're on the go, our team has the know-how needed for a great experience. Your Expion 120 Ah lithium batteries are FABULOUS!.

Who are expion360 ambassadors?

At Expion360, we believe in powering the pursuit across industries and state lines. Our Ambassadors are adventurers, achievers, pursuers, and dreamers—pushing the boundaries on the possibilities of our products and taking them further than we could imagine.

Why should you choose expion360?

Our products are built for tenfold the lifetime of your battery investment, three times the energy density, three times faster recovery, and an innovative case design. At Expion360, we perform to the highest standards—and make sure our products do, too—so our customers can always chase the next big

thing.

Is expion360 GC2 a good golf cart battery?

Expion360's GC2 golf cart battery is built with superior durability, reliability, and longevity, so you can stay on par from the first hole to the 18th. Home should be your refuge and place of comfort. Having an off-grid power system can give you peace of mind.
