Frecon Solar

About Frecon Solar Driving You Into The Future. Today the challenge is not to conquer the moon but the quality of life on earth. Our world desperately needs the implementation of clean energy technologies to reduce the energy consumption and waste of natural resources. Solar energy is the clean energy of the future, As Frecon we believe that

Our Lifepo4 batteries can be connected in parallels and in series for larger capacity and voltage.

PV580 Series IP65 Solar VFD & Inverter Automatic Pump

PV580 Series Solar Pumping Inverter. The PV580 series IP65 solar pump inverter can operate in extreme temperatures and features an optimized MMP algorithm and DC/AC power input, which makes the PV580 Series automatic inverter the perfect solution for agricultural irrigation problems, daily water use, and desert management in areas with electricity storage and water storage.
