Cappitech, a leading provider of regulatory reporting and intelligence solutions for the financial services industry and IHS Markit, a world leader in critical information, analytics and solutions, today announced an alliance to deliver the IHS Markit Securities Financing Transactions Regulation (SFTR) solution. The IHS Markit SFTR solution will integrate ...

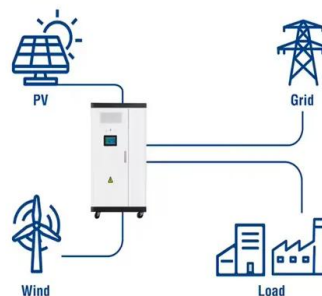

iTech Minerals, SQM partner to develop lithium project in Australia

The project has shown potential with more than 60km of outcropping pegmatites and high-grade lithium findings. The binding memorandum of understanding outlines SQM's potential to earn up to a 70% interest in the project's lithium rights, starting with a 30% stake for A\$2m (\$1.3m) after a due diligence period.

Trusted Provider of Military Command and Control Systems

IXI Technology solves obsolescence. As a COTS (commercial off-the-shelf) manufacturer and OEM, we refresh your legacy military command and control systems with customized, backward-compatible solutions that save you money, space, and power. Our long-lasting boards and parts extend the life of your defense technology.

[Back up your infrastructure](#)

The CNES and ESA would like the Guiana Space Center to actively take part in Guiana's energy sobriety and transition. Manufacturing and launching operations at the GSC, however, demand a perfectly stable electrical power supply: each building includes a backup solution combining an Uninterruptible Power Supply (UPS) and a fuel generator.
