---

### The World's Most Romantic & Sustainable Destinations

And all that decadence is supported by solar power, seawater air conditioning, a permaculture garden, extensive recycling, and French Polynesia's first LEED-Platinum construction. To understand both sides of this gold coin, we spent two days working alongside the researchers at the Tetiaroa Society and two more living the luxe life at The Brando.

### Viva Solar

Viva Solar est intervenue en sous-traitance d'une entreprise avec laquelle j'avais négocié une installation de panneaux photovoltaïques pour 3kw. En préparation du chantier, M. Sellam a visité le futur chantier. Il a été d'une extrême rigueur ...
