### [Omnik New Energy Co., Ltd.](#) [LinkedIn](#)

Omnik New Energy Co., Ltd. , 388 seguidores en LinkedIn. Omnik New Energy Co., Ltd. was established in 2010. Based on advanced PV technology from Germany, Omnik is now a top-ranking R& D, test, manufacture and global sales company of PV inverters. The elite R& D team of Omnik persists on product innovation.

### The French Southern and Antarctic Territories, little-known territories

The territories (excluding Antarctica) are managed by the French Southern Territories Reserve, which, as here, monitors the nesting of seabirds. Image : Camille Lin This status is all the more special because the TAAFs are governed by the principle of legislative speciality, meaning that French laws do not apply there unless an exception is made.
