Freudenberg battery power systems llc Falkland Islands

Overview

Who is Freudenberg battery power systems?

Freudenberg Battery Power Systems, LLC, focuses on the development, production, assembly, and service of battery systems for heavy duty applications in the truck and bus, marine and mining industries, among others.

Who is Freudenberg E-Power Systems?

As a benchmark-setting e-mobility solutions provider, Freudenberg e-Power Systems designs, develops, and manufactures high-performance battery and fuel cell systems with exceptionally long operational lifetimes.

Why did Freudenberg partner with LG Energy Solution?

"The partnership with LG Energy Solution enhances our leading battery offering for the bus and truck market," explains Dr. Max Kley, CEO of Freudenberg e-Power Systems. "Together we are able to offer our customers an unparalleled range of solutions specifically tailored to the demanding requirements of this market."

Why is Freudenberg expanding its capacity?

With a total capacity of 19 GWh, Freudenberg is expanding its capacities to meet rising demand and ensure the best possible supply for its customers in commercial vehicle applications, such as trucks and buses in North America and Europe.

Does Freudenberg have a long-term contract with Iges?

With well over 40 million miles driven, Freudenberg's battery systems are among the leading solutions on the market. The long-term contract with LGES underscores the strategic importance and growth potential that Freudenberg sees in its e-mobility solutions.

Did Freudenberg buy XALT Energy?

The parties have agreed not to disclose the purchase price. Freudenberg had already acquired a majority stake in the US battery manufacturer XALT Energy, LLC, Midland, Michigan, USA, in 2019. The company develops and produces lithium-ion battery cells and fully integrated battery packs for the commercial vehicle and maritime industries.
