

Solar Energy South Africa

GCL photovoltaic panel authenticity query

Overview

How many GCL solar panels are there in Australia?

Currently, 39 GCL solar panels are approved by the Clean Energy Council (listed under the name of GCL System Integration Technology Co Ltd) for the Small-scale Renewable Energy Scheme - Australia's home solar rebate program. The GCL-M8/60H has 120 half cut monocrystalline solar cells and is one of GCL's best performing solar panels.

Does GCL solar have an office in Australia?

GCL Solar currently has no office located in Australia. Compare quotes from up to 7 installers in your area now. Currently, 39 GCL solar panels are approved by the Clean Energy Council (listed under the name of GCL System Integration Technology Co Ltd) for the Small-scale Renewable Energy Scheme - Australia's home solar rebate program.

What is a GCL solar warranty?

The product warranty is designed to cover manufacturing faults in the panel that leads to damage or malfunction and is typically 10 years for most solar panel manufacturers. All GCL Solar panels offer a 10 year standard product warranty which is effectively the minimum expectation of the solar panel market.

What does GCL do?

GCL targets at making PV-generated electricity affordable and inclusive for the public by its constant technology innovations in polysilicon, silicon wafers, cells, modules, system integration and photovoltaic power plants, continuous improvement of its management, regional layout and green energy certification systems.

Is the GCL-p6/60265w solar panel efficient?

The enhancement of the GCL-P6/60265W solar panel efficiency was

demonstrated at the University of Tabuk Renewable Energy and Energy Efficiency Center (REEEC). As these solar panel arrays are remotely monitored, we were able to demonstrate the validity of our cooling solution.

Are GCL solar panels good quality?

GCL solar panels show some promise of being good quality (particularly the Saturn and Gemini series) through their ranking as a top performer by PV Evolution Labs independent testing. Unfortunately at this stage their offering in Australia (if it is currently available) lacks good customer support.

GCL photovoltaic panel authenticity query

GCLSI , GCL-M12/66GDF 635-670W , Solar Panel Datasheet , ENF Panel ...

GCL System Integration Technology Co., Ltd.
Solar Panel Series GCL-M12/66GDF 635-670W.
