### Solar and Battery in Georgia: Pros, Cons, and Incentives

You see, Georgia's position on the map isn't just great for those summer barbecues. It's prime real estate for soaking up the sun's rays. With an average of 215 sunny days a year, it's no wonder solar panels here get a real workout. And guess what? That's a lot more sun than many other states can brag about! It's not just about the sun, though. Georgians are ...
