

Solar Energy South Africa

Ghana rodan energy

Overview

What services does Rodan offer?

Power systems consulting, connection support and regulatory services
Rodan's suite of solutions combines model-based analytics of an Energy Management Intelligence System with expert energy analysts. Managing energy is not easy, and clients depend on Rodan daily for insights that allow them to make intelligent energy decisions.

Who is Rotan Energy?

Rotan Energy is a Singapore registered energy developer named Rotan Energy Pte. Limited, with a focus on developing power generation assets across the African continent.

What is Rodan's EIS?

Rodan's EIS focuses on delivering savings to your bottom line. Empower your teams and give them the tools they need to control your energy expenditure and build energy resilience. Rodan's EIS has saved their clients millions across North America. Grid operators use DR programs to pay consumers in exchange for them reducing electrical consumption.
