Primus Solus: Constantinos Karamanlis as Prime Minister (1974-80)

Much less widely recognized is the impact Karamanlis was to have in setting the operational norms at the top of government. As Prime Minister earlier (1955-63), he had been seen as the arch-modernizer, keen to rebuild Greece and make it fit for present-day international competition, and after 1974 he was the returning hero setting the terms and pace of the ...
