Green Energy Storage Project Proposal

Green Energy Storage Project Proposal

Making project finance work for battery energy storage projects

In each of these financings, Pacific Green combined best practice from the oil and gas sector - specifically expertise in developing large non-recourse project-financed infrastructure - to build ...

Thermal energy storage system

The objective of this project proposal is to design and install a Thermal Energy Storage (TES) system at the Solar Thermal Power generation facility at the USF Clean Energy Research Center (CERC). At present, this facility does not have ...
