Guam new energy company

Overview

Does Guam have a power outage?

Over the past months, Guam has been having rolling power outages. GPA is still coping with the loss of about 80MW of reserve power generation capacity since Cabras 3 and 4 were damaged in an explosion.

What is the 'Guam 100'?

The study, known as the “Guam 100,” will set a clear path to achieving 50% electricity purchases from renewable energy by 2030 and 100% by 2040, according to a news release from GPA.

Does core tech solar have a legal dispute with Guam Waterworks Authority?

Commissioners did raise some concerns about the award to Core Tech Solar, as affiliate company Core Tech International is currently locked in a multi-million-dollar legal battle with the Guam Waterworks Authority. GPA needs approval from the CCU, before taking the contract awards to the rate-setting Public Utilities Commission for final approval.
