Overview

Who is cellcronic technology?

Cellcronic technology is a leading online power backup solution provider in India. We provide Hybrid Inverters, LifePo4 Battery, and Solar Air Conditioner. At Cellcronic, we're not just selling backup solutions - we're empowering your home with uninterrupted comfort, security, and peace of mind.

When did cell companies start in Guernsey?

Guernsey introduced legislation permitting the formation of cell companies through the Protected Cell Companies Ordinance in 1997 - the first country in the world to do so. Incorporated cell companies were introduced in Guernsey through the Incorporated Cell Companies Ordinance in 2006.

What is a Guernsey protected cell company?

This note summarises the Companies Law. A Guernsey protected cell company (" PCC ") is a single legal entity. It is one company with one board of directors, one memorandum and articles of incorporation and one company registration number. A PCC comprises a core and any number of cells.

What is a cellular company in Guernsey?

Guernsey companies can be either 'cellular' companies (either a protected cell company or an incorporated cell company) or 'non-cellular' companies. Most companies in Guernsey are non-cellular (including most holding companies and trading companies), though cellular companies are increasingly popular in the Guernsey investment funds space.
