How to report a solar panel scam

Overview

If you suspect you've fallen victim to a solar panel scam, report it to the Federal Trade Commission (FTC) and your state's consumer protection agency. Are solar panels a scam or a cold call?

Here are the cold calls and potential scams to avoid. More than a third of solar PV panel owners in our recent survey told us they have been cold called about their panels in the past five years. Most cold callers were trying to sell them something unnecessary, but a few owners were told something completely untrue.

Are 'free solar panel health checks' a scam?

We're regularly contacted by customers, who have received an unsolicited call or letter from another company, offering them a 'free solar panel health check' or warning about their solar PV system being at risk of failing. This is a common scam.
