Found a 4Patriot power generator 1500 in the trash.

4s6p

Any clue where I can get a battery for the patriot 1500, I need a new one . installed a new alternator in my air conditioner, etc. but I don't think I could build a generator. I'd REALLY like a solar powered generator if there's anything out there worth its salt. If you dont know how to replace the cells and paid full price for this

Critical review of My patriot Solar Generator system

This is not a solar charging system. But it has the heart which is a battery. A charger made for the battery and an inverter to turn the 12 volts into AC and USB DC voltage. The idea is to get the same function or better for less money. If you wanted this to be solar you would need the solar panels and charging controller for the battery.
