Considering moving to Isle of Man. Pros and Cons anyone?

There's a lot of South Africans on island because of Derivco/Microgaming. It's a nice and 'safe' island but supremely boring. If you've ever lived

in any real populace areas, it's a huge culture shock. You'll get some jokes about being a comeover but no actual malice (as long as you're white). It's like living in an 80s northern British town.
