 Nánrù) is a partially state-owned publicly listed
 Chinese company that engages in the

manufacture and sale of electrical equipment that includes industrial automation control products. It is majority owned by the NARI Group which is directly under the State Grid Corporation of China

[Narni Tourist Information](#)

Narni in Umbria is first referred to as "Nequinum", a populated nucleus dating back to about 600 BC. By 299 BC, Narni had become a Roman colony named "Narnia". The name comes from the nearby Nar river, which is called the Nera today. In 233 BC, Narni became an important fort along the newly constructed Via Flaminia, and in 90 BC it became a township.

SUPPER CLUB

3 reviews and 3 photos of SUPPER CLUB "Simply great if you are in Rome and you want to go out for a combination of bar, drinking, dancing and fantastic food. It is very important to make a reservation. All guests arrive at the same time at the bar for a welcome drink and after that you

go down to the dining room which will be the dancing room after everybody had dinner.
