Overview

How do Liechtenstein municipalities get the energy City label?

Liechtenstein municipalities can obtain the Energy City label if they continuously ensure efficient energy use, increase investments for renewables, including solar energy, wind energy and hydropower, and promote environmentally compatible mobility. The certificate is awarded by the Energy City Sponsoring Association.

Why is Liechtenstein a good place to live?

For instance, the Principality has the world's largest share of photovoltaics per capita. Furthermore, Liechtenstein is also an important role model regarding sustainable energy policy. In 2003, the municipality of Triesen was the first to join the Energy City Association. Triesen was certified as an Energy City one year later.
