to 400W solar input, efficiently topping it up in just 4 hours. No worry about the battery dying out as long as the sun shines.

[Patriot Power Generator 1800 Reviews](#)

The goal of the Patriot Power Generator is to give people a generator that can't be shut down and isn't cost prohibitive to keep running, which is why they have created a solar generator. This generator is "whisper quiet," fume free, discrete, and safe to use. It offers up to 1,500 continuous watts of clean, renewable power.
