### What is Lumos energy?

Lumos Energy supports Indigenous clean energy projects and enterprises from coast-to-coast-to-coast. Lumos Energy works in every region of Canada and has helped bring on line more than 30 clean energy projects over the past two decades based on Indigenous ownership.

### What is Lumo Energy UK?

Lumo Energy UK was an exclusively online energy supplier that began life as a price comparison website. It offered its own dual fuel energy tariff, which was managed through its mobile energy app and customers' online accounts. Lumo Energy UK was known for helping customers find the best deal on the market and merged with OVO in 2020.

### Who owns LUMO energy?

Lumo Energy is one of two providers owned by renewable generation company Snowy Hydro – the other being Red Energy. For customers in SA, Lumo Energy's main selling point is access to its Lumo Rewards program, which offers discounts from a variety of major shopping retailers. Lumo Energy's offers come with variable rates and no exit fees.

### Is Lumo Energy the best electricity provider in SA?

Lumo Energy has re-emerged as the top electricity provider in SA this year, scoring an almost clean sweep of five-star ratings across the board. The exception to this was its online tools and advice, where it received four stars. Lumo Energy is one of two providers owned by renewable generation company Snowy Hydro – the other being Red Energy.

### Does Lumo Energy have good customer service?

Lumo Energy performed a little worse than the average provider on customer service. It had slightly longer wait times but fewer abandoned calls. The

2019–2020 market report from the Australian Energy Regulator has some useful insights into the customer service of many providers.

How can I contact Lumo Energy UK?

Lumo Energy UK is an exclusively online supplier, so the only way to contact them is online or through their mobile app. They do not provide a contact number or email address for direct communication. Another way to contact Lumo Energy is through social media.
