### [eVault Max 18.5kWh LFP Battery](#)

®

Scalable up to 370kWh with a serviceable top cover access to make installation of this battery simple and worry free. The eVault Max is AC/DC coupled to solar arrays and works for many applications that require solar storage, including Off-Grid, Back Up power, self-supply and Peak Charge Reduction just to name a few.

### Buy Solar Module Canadian Solar MaxPower CS6X-280P

MaxPower CS6X-280P. MaxPower CS6X-280P. Canadian Solar. MaxPower CS6X-280P. SKU: 2106185. Manufacturer Canadian Solar Inc. (CSI) Number of Cells 72. Cell Type polycrystalline. Cell Dimension (mm/inches) 156 x 156 (6+) Connection Type

### FAQ

Max Power Solar Panels have a 15-year product warranty and a 25-year performance warranty. The Max Power MPS500 inverter features a 12-year product warranty whereas many inverters have a minimum 5-year warranty. The mounting system has a 10-year product warranty and is designed for a service life of 25 years.

solar PV hybrid energy system for the benefit of Adamstown community and the government of Pitcairn to achieve their renewable energy objective. The system will enable the community to access a reliable, affordable and clean supply of energy and reduce the Pitcairn Islands ...

## Our History

2011 Max Power embraced a new frontier by entering the solar energy market. Recognizing the potential of renewable energy, the company made solar products a central part of its business. This strategic move aligned with global trends towards cleaner energy sources and allowed Max Power to tap into a growing demand for solar solutions in Pakistan.

## About Max Power Solar

Max Power Solar is an Australian solar producer. We believe that solar is good for the planet, it should look great on your home, and be backed with Australian warranties. We specialise in high quality, visually appealing, integrated all dark, solar systems backed with Australian Warranties.

## Bringing Renewable Energy to Pitcairn Island

Following an EU commissioned study in 2017, the EU agreed to fund a Renewable Energy project for Pitcairn to replace fossil fuel with Solar Power under the EDF 11 Regional Envelope and we have been working with our partners in New Caledonia who manage the project on behalf of the four Pacific EU Overseas Territories.

Island, a South Korean Company who have successfully

## Pitcairn: Energy Country Profile

Pitcairn: Many of us want an overview of how much energy our country consumes, where it comes from, and if we're making progress on decarbonizing our energy mix. Renewable energy here is the sum of hydropower, wind, solar, geothermal, modern biomass and wave and tidal energy. Traditional biomass - the burning of charcoal, crop waste

## **Maxpower , Global Leading Distributed Energy Solution Provider**

Maxpower offers a comprehensive lineup of intelligent PV solutions suitable for residential, commercial and utility-scale solar plants. Our range of smart string PV inverters has a capacity from 0.75kW to 253kW, providing the perfect match for your solar energy needs.
