Travel Off The Beaten Path: Anguilla

This sounds fabulous, although I'm also curious (and mildly apprehensive?) about how just how expensive it is. I think I'd really like to combine Anguilla with a trip to St Maarten, which I've wanted to visit ever since I made a brief stopover there on my way to Curaçao (and saw from the plane how lush the mountains looked).

Whelking at Mimi Bay

Whelking Tip #1 - The best time for whelking is early morning just as the sun is rising. It is nice and cool at this time and you can even catch a sunrise! The sun can be quite harsh later in the morning, so it is advisable to wear a hat. Long clothing is also best to protect you from the sun and the jaggedness of the sea rocks.
