Overview

Why do we love Viridi Parente?

"We have a great appreciation of Viridi Parente as we both share a commitment to the development of an energy ecosystem that prioritizes sustainability as it pertains to lithium-ion battery resource recovery." "Energy storage is super important for us to get right and battery safety is a critical aspect of that."

Why is Viridi Parente partnering with KULR Technology Group?

With safety being a key factor to the success of point-of-use battery storage, Viridi Parente is working with KULR Technology Group, Inc. (NYSE: KULR) to combine its patented safety technology with Viridi's battery architecture, creating a pack system that is safe enough to install indoors and durable enough to withstand the outdoor elements.

Who is Viridi Parente?

Received strategic investments from National Grid Partners and Sunbelt Rentals. Through a partnership with Ly-Cycle, Viridi Parente commits to 100% recycling for all end-of-life cells making Viridi the first company in the industry with such a bold commitment.

Is Viridi Parente a 'fail-safe' lithium-ion battery?

Viridi Parente Inc. has raised \$94.695 million in a Series C funding round, its latest step toward delivering a "fail-safe, point-of-use lithium-ion battery technology at scale," the company says. Jon M. Williams, Chairman and CEO of Viridi, explains:.

Is Viridi Parente a good investment?

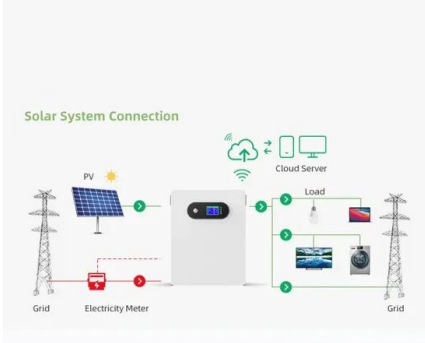

Financially, Viridi Parente is well-positioned for growth. The company has raised \$118 million through three funding rounds, with backing from prominent investors like Tom Golisano, the founder of Paychex, industry

leaders like Sunbelt Rentals and National Grid Ventures, and Williams himself.

What is a Viridi battery system?

These units have found a niche in the market as mobile battery systems that can supplement or replace diesel generators. Whether powering sporting events, music festivals, or emergency response operations, Viridi's battery units offer a cleaner, quieter, and safer alternative to conventional fossil fuel-powered generators.
