Gaza Power Plant is operated by the Palestine Electric Corporation. Palestine produces no oil or natural gas and is predominantly dependent on the Israel Electric Corporation (IEC) for electricity. [1] [2] According to UNCTAD, the Palestinian Territory "lies above sizeable reservoirs of oil and natural gas wealth" but "occupation continues to prevent Palestinians from developing their ...

Amigo Energy Reviews , Read Customer Service Reviews of

Amigo energy customer service ate great... Amigo energy customer service ate great and I feel sorry for them because I know they have to deal with angry frustrated clients. Amigo energy as a company is a scam! I don't trust that they bill based on individual usage, they estimate based on the the weather and bill ridiculous amounts of money.
