# Papua New Guinea system container

## Overview

---

Is Papua New Guinea's largest container port a major port of call?

As PNG's largest container port, the Port of Lae is poised to maximize its potential as a major port of call. SPICT is committed to serve Papua New Guinea's flourishing fishing industry, which includes first-class skipjack, bigeye, and yellowfin tunas. Moreover, the port expansion comes with complementary programs for community development.

How many ports are in Papua New Guinea?

A sector profile of public and private ports, and shipping services in Papua New Guinea, including coastal shipping and container services. There are 16 operational national ports in Papua New Guinea, with 9 ports handling international cargoes and many small wharves, jetties and landing stages.

What is service in Papua New Guinea?

Get to know the time in transit of cargo on popular container shipping lines between ports of loading and port of discharge. Service is designed for determination of shipping lines whose vessels put in chosen port or direction. Service is designed for determination of seaport list. Visit SeaRates & find a list of Papua New Guinea sea ports.

Why should Papua New Guinea expand its seaport?

SPICT is committed to serve Papua New Guinea's flourishing fishing industry, which includes first-class skipjack, bigeye, and yellowfin tunas. Moreover, the port expansion comes with complementary programs for community development. The seaport helps anchor the growth of Lae City, Morobe's capital, and an industrial powerhouse for PNG.

Does Papua New Guinea have a flour mill?

1.3 Papua New Guinea Customs Information The Port has a Vigan Machine and handles bulk wheat and grain. Capacities exist at the private companies level.

Both flour mills have their own bagging system in place. Stevedoring is ensured by private companies (annual licensing) in all ports of PNG. The majority of them are sub-companies of Steamships.

Are there gantry cranes in PNG?

The port is a State Owned Entity (“SOE”) whose ownership is vested in trust with the Independent Public Business Corporation (IPBC) on behalf of the Government of PNG. There are no wharf mounted gantry cranes. However, forklifts are available and capable of lifting up to 20 ton containers.
