Power pack for home use Panama

Overview

Since the sockets in Panama are the same as the ones in the United States, you won't need a US-to-Panama power adapter for your trip there.

Since the sockets in Panama are the same as the ones in the United States, you won't need a US-to-Panama power adapter for your trip there.

Panama uses power plugs and sockets of type A and B, with a standard voltage of 120 V and a frequency of 60 Hz.
