Sudan

In Sudan, power plugs and sockets (outlets) of type C and type D are used. The standard voltage is 230 V at a frequency of 50 Hz. Yes, you need a power plug travel adapter for sockets type C and D in Sudan. You also need a voltage converter. Be extra careful with certain devices because of the difference in frequency.

Power Wash Plus , SUDAN CHEMICAL

Power Wash Plus makes vehicle cleaning easy. This product is designed to be used through a pressure washer or drive through pressure spray system to quickly remove dirt, oil, grease, road film, and exhaust from aluminum or painted surfaces without attacking the surface.
