

Solar Energy South Africa

Residential solar power generation complaint cases

Overview

If you have an issue with solar companies like Tesla Energy, Sunrun, or Freedom Forever, you have several steps available to you for filing a complaint: You can start by filing a complaint with the company directly. You can file a complaint with your state licensing board. You can also file a complaint with the state Attorney General's office. You can submit a complaint to the solar panel company's BBB page. You can file a claim in your court. How many complaints are there about solar panels?

Debbie Enever, from the Financial Ombudsman Service, said: "We have got about 2,000 complaints about solar panels at the moment and more coming through every week." Loans for solar panels were taken out through Barclays Bank, which said: "We always seek to ensure customers are satisfied with our financial products.

Can I claim compensation for mis-sold solar panels?

If you feel you were mis-sold solar panels for your home you could claim compensation. Back in 2019, it was reported that the Financial Ombudsman Service had around 2000 complaints from unhappy customers who felt they had been mis-sold their solar panels, with more coming in every week.

When can I complain about my energy supplier?

You must complain to the ombudsman within 12 months of your supplier telling you their decision. If your supplier hasn't given you a decision you might have longer than 12 months, but it's still worth complaining as soon as you can. You can register your complaint to the energy ombudsman:.

Can I complain to the Energy Ombudsman?

You can complain to the energy ombudsman if you've already complained to your energy company and either: The energy ombudsman is independent and can: In some instances, they might tell your supplier to give you financial compensation. You must complain to the ombudsman within 12 months of your supplier telling you their decision.

Can you get compensation if your solar panels are mis-selling?

If your solar panels are not reducing your electricity bills or providing you with the financial subsidies that you were originally promised by the company who sold them to you, you may be eligible for compensation. The solar panel industry is yet another of those currently embroiled in a mis-selling scandal.

Can the Energy Ombudsman tell suppliers?

We can tell suppliers to. However, we can't. The Energy Ombudsman provide a free and impartial service that aims to resolve disputes between consumers and suppliers in the energy sector.
