Heard and McDonald Islands The perfect 3 days itinerary. Heard Island and McDonald Islands (HIMI) are remote and uninhabited sub-Antarctic islands located in the Southern Ocean. These islands, part of Australian external territories, are known for their pristine natural environment, unique wildlife, and active volcanoes.

Heard Island and McDonald Islands : r/vexillology

The two small triangles are the McDonald Islands, mostly small rock islands and not nearly as impressive as Heard. I know that they probably are not as green as on the flag, but I simply didn't want to have grey on there. Lastly there's the southern cross from the Australian flag, following the lead of Christmas Island and the Cocos Islands.
