Rift solar

Awesomer Than Thou: Game Review: Solar Rift

Solar Rift is a game with a cool loading screen. See the tessellations? Those gradually get filled in as the game loads. However, it'd be stupid to review the loading screen. In a nutshell, Solar Rift is a two-dimensional Metroid clone. It's got some variations-each kind of destructible block and each kind of door can only be affected by one weapon, for instance, ...

CEP Renewables Completes Construction of 19 MW Solar Project ...

RED BANK, N.J., October 9, 2024 - CEP Renewables, NJR Clean Energy Ventures and CS Energy announced that they have completed the 19 MW dc grid supply Foul Rift solar project located in White Township, Warren County, New Jersey.
