### Suntop Solar, 7935 W Sahara Ave, Las Vegas, NV 89117, US

In 2018 RPM Home Solutions a leader in customer service and retail joined forces with Cordan Electric who has been installing and maintaining Solar Systems throughout the Las Vegas Valley since 2010. In January 2018 both entities combined to create Suntop Solar, to create the best customer service experience throughout the sales process and

## Supporting Australia's energy transition with Suntop solar farm

Bouygues Construction Australia was awarded Suntop solar farm contract by Canadian Solar. The 450-hectares project, located west of New South Wales, will count 440 000 solar panels and produce 190MWp (150MWac). The single-axis tracking innovation allows the panels to track the sun's movement east to

### Suntop Solar Farm

Suntop Solar Farm is located near Wellington, south of Dubbo in regional New South Wales. The site accommodates a large-scale solar PV system that utilizes single-axis tracking and ground-mounted panels, generating 395 GWh of energy throughout the year. Single-axis tracking was selected for this project to harness the highest amount of solar

### Scaling Solar 60 MW

Le projet Scaling Solar porte sur le financement, la conception, la construction, la mise en service, l'exploitation et la maintenance de deux centrales solaires photovoltaïques d'une capacité totale de 60 MW pour la première phase, y

compris les installations de transmission associées, qui seront situées dans la partie occidentale du Sénégal. La centrale de Kael...
