Siienza Energy ist ein von California Institute of Technology (Caltech) gegründetes Batterie-Unternehmen und wird unter anderem vom Philanthropen Patrick Soon-Shiong unterstützt, der in Los Angeles ansässig ist. Gerard Koning, Leiter der niederländischen Delegation, äußerte sich positiv über die einzigartige Batteriearchitektur von Siienza

Angola

It also includes non-energy uses of energy products, such as fossil fuels used to make chemicals. Some of the energy found in primary sources is lost when converting them to useable final products, especially electricity. As a result, the breakdown of final consumption can look very different from that of the primary energy supply (TES).
