Solar Panels & battery storage

As solar panel and battery storage specialists, we're perfectly placed to help you, whether you're a commercial or domestic customer. UK businesses can reduce their electricity costs by 10-30% by switching to solar energy. Solar energy is equally vital for homeowners looking to make significant savings.

Uinta Basin :: SM Energy Company (SM)

With three plays actively being tested, delineated or developed by operators within the basin, SM Energy is focused on the oil-rich

unconventional reservoirs in the Wasatch and Green River formations. Their combined 4,000 feet of over-pressured stacked pay provides multiple source rock and reservoir benches with as many as 17 potential targets

NextStar Energy Electric Vehicle Battery Plant

NextStar Energy, a joint venture between LG Energy Solutions and Stellantis, is a leader in Canada's electric vehicle (EV) battery industry with the establishment of the country's first large-scale EV battery plant in Windsor, Ontario. This facility supports Canada's transition to EVs by meeting a substantial portion of the vehicle

Social

SM Energy proudly partners with United Way to serve the needs of communities, and each fall, SM Energy hosts an employee giving campaign supporting United Way chapters in Metro Denver, Houston, Midland, and Laredo. In 2023, we received the Mile High United Way Social Impact Award. This award recognizes SM Energy as a corporate partner that
