

## Solar Energy South Africa

# Solar Photovoltaic Panel Disclaimer Agreement

## Overview

---

What is a solar power contract?

A solar contract is a signed agreement between a person and a solar power installation company that clearly outlines every part of the solar panel installation process, including the steps before, during, and after the actual installation, and who is responsible for each.

What should a solar panel contract include?

Your solar panels' contract should estimate how much energy will be produced and what savings the client can expect. This section of the agreement should clearly outline how the system's performance will be monitored and what guarantees are given. Solar power has many benefits for businesses and commercial properties, such as.

What are standardised solar contracts?

Standardised contracts include: Power Purchase Agreement, Implementation Agreement, O&M Agreement, Supply Agreement, Installation Agreement and Finance Facility Term Sheet. These are complemented by the Implementation Guidelines. Open Solar Contracts review phase is now over.

What is open solar contracts?

Open Solar Contracts is an initiative which streamlines project development and finance processes by offering legal agreements that make contracting faster and less costly. Standardised contracts include Power Purchase Agreement, Implementation Agreement, O&M Agreement, Supply Agreement, Installation Agreement and Finance Facility Term Sheet.

What is a PV installation agreement?

The Installation Agreement is a lump-sum agreement between the project company, as owner of the project, and the installation contractor, the contractor that will be responsible for installing the PV system, providing the

balance of plant and commissioning the plant.

What is a solar development agreement?

A solar development agreement is a legally binding contract between parties that outlines the terms and conditions for the development and operation of a solar energy project. Service contracts are an agreement between two parties, usually the home or business owner, and the provider, an installation or maintenance company.
